## We make it our business to help your business succeed

The thrill of a startup often gets hampered by the unwieldy aspects of the inherently chaotic world of business that catch entrepreneurs unawares. We have been there and will help to offload and guide you so you can focus on what you do best, channeling your expertise and passion towards a thrilling and successful endeavor.

As a brand new business in need of some assistance, Year One Solutions specializes in helping companies like yours.

We are a group of uniquely experienced professionals that have held key positions within successful startups and have created this

company in order to empower other startups to quickly and efficiently build a solid foundation that will set them towards their path to success.

We excel in creating an initial solid foundation both quickly and efficiently and taking the necessary, but distracting, work off your plate so you can focus on what matters most – your products, services and clients.

We can build a solid foundation for your start-up, quickly and efficiently. We offer full turn-key solutions as well as an à la carte approach.

## Ask yourself this

1. Is time of the essence?
2. Are you having trouble figuring out where to start?
3. Do you want to concentrate on what you love and leave the mundane to us?
